

# What happened to Tom Daschle?

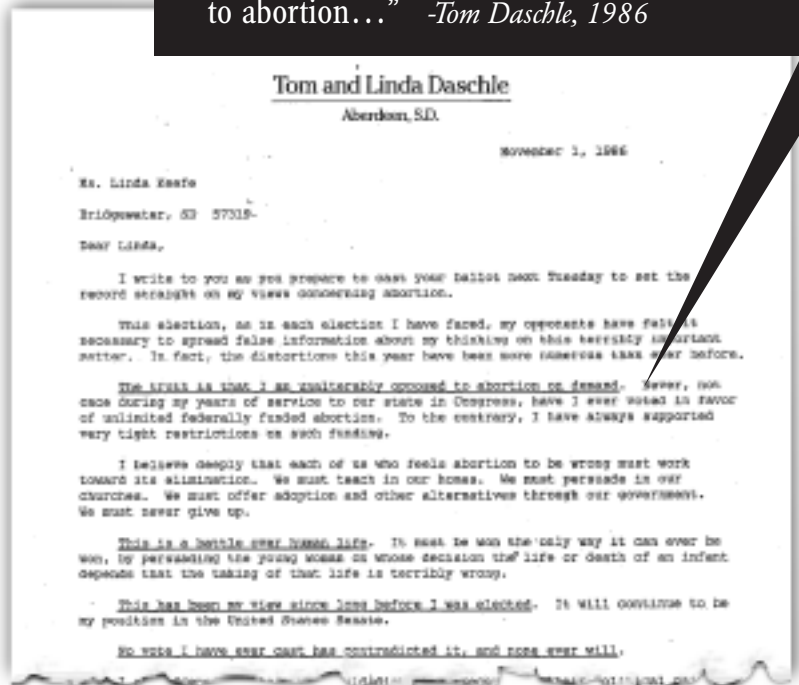

He's now the champion of the Washington DC pro-abortion liberals.

## Tom Daschle Then

"I am opposed to abortion. I do not support it. I have never supported it. It is an abhorrent practice."  
-Tom Daschle, 1978

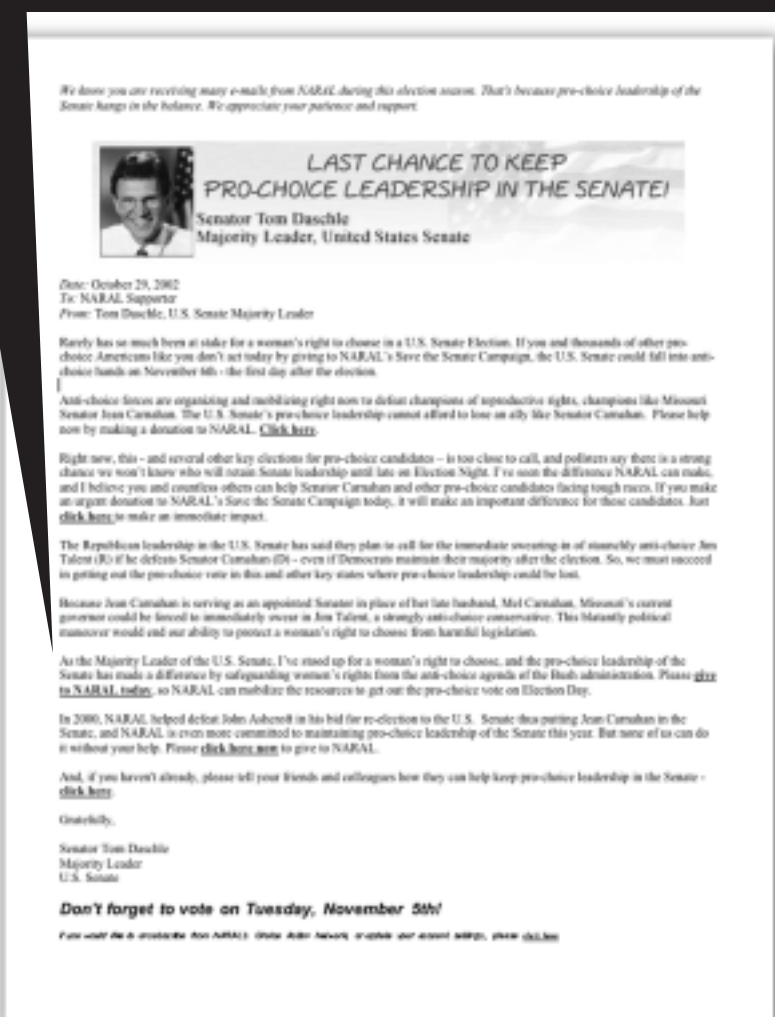

"The truth is that I am unalterably opposed to abortion..."  
-Tom Daschle, 1986

## Tom Daschle Now

"As Majority Leader of the U.S. Senate, I've stood up for a woman's right to choose, and the pro-choice leadership of the Senate has made a difference by safeguarding women's rights from the anti-choice agenda of the Bush administration. Please give to NARAL today..."  
-Tom Daschle, 10/29/02

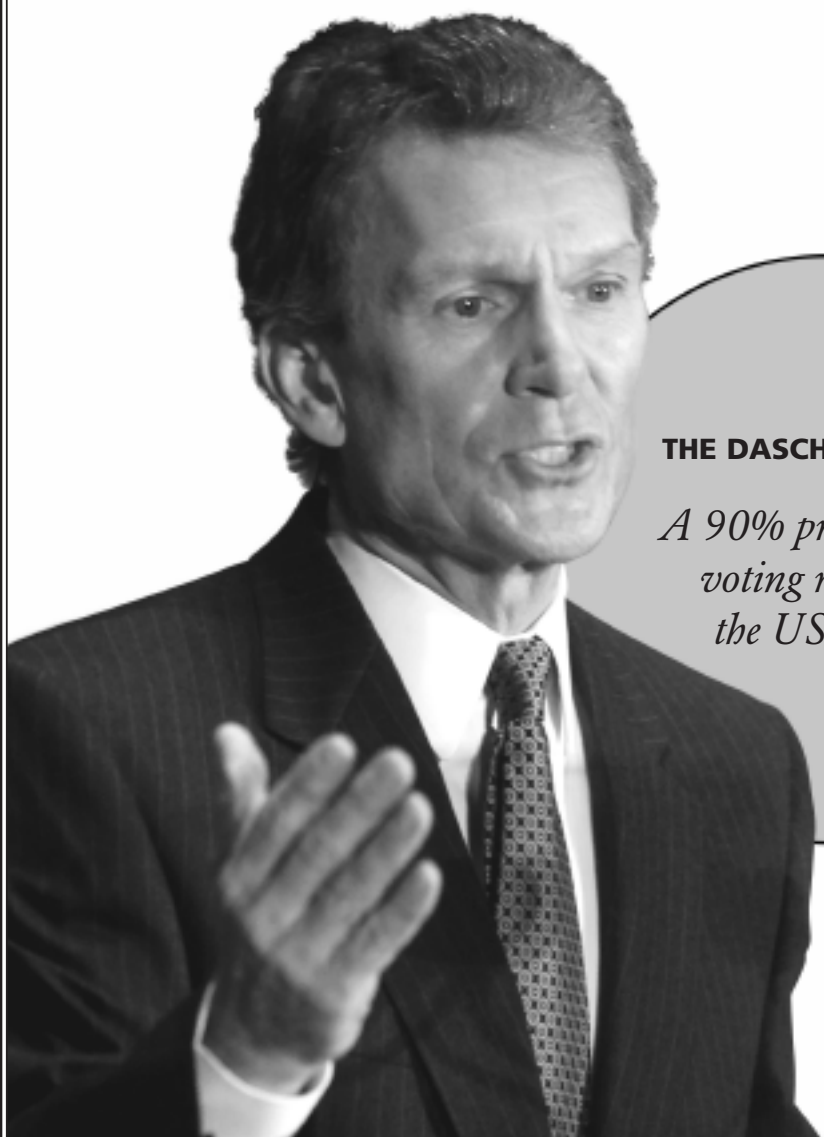

When South Dakota sent him to Congress he called himself a dedicated pro-life Congressman.

But Tom Daschle has changed.

Daschle now raises funds for pro-abortion groups like NARAL. He even gave \$10,000 of his own campaign funds to support pro-abortion candidates. And he refuses to release the videotape of a speech he made to EMILY's List - the political arm of the pro-abortion left.

Tom Daschle has abandoned his South Dakota values. He's now pursuing a liberal agenda with pro-abortion forces in Washington, D.C.

**THE DASCHLE RECORD**  
A 90% pro-abortion voting record in the US Senate
